It's not just baby who's sleeping better.

Introducing a clinically proven sleep routine

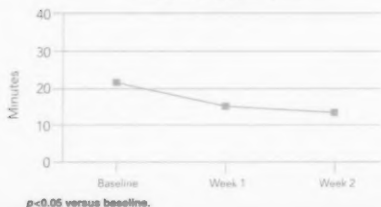

After mothers used JOHNSON'S® BEDTIME BATH® and JOHNSON'S® BEDTIME LOTION® containing NATURALCALM™ essences* in a 3-step nightly routine of a warm bath, gentle massage, and quiet activity

- Babies went to sleep 37% faster ($p < 0.05$ versus baseline)
- Babies slept better, reducing total time awake during the night by 49% ($p < 0.05$ versus baseline)
- Mothers reported a 55% reduction in tension and anxiety ($p < 0.05$) and a 59% reduction in fatigue ($p < 0.05$)¹

Results of a clinical study¹

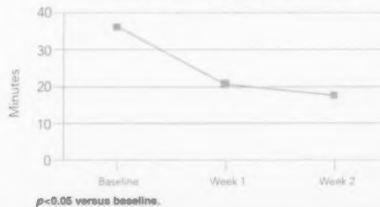

Babies went to sleep faster

Time to fall asleep reduced 37%

Babies slept better

Total time awake during the night reduced 49%

*NATURALCALM™ essences, a unique blend that has been tested and proven to have relaxing properties.
